

Dark Skin Anime Figures

Mike Raicht, Brian Smith

The Anime Machine Thomas LaMarre, 2009 Working at the intersection of the philosophy of technology and the history of thought, Lamarre explores how anime and its related media entail material orientations and demonstrates concretely how the 'animetic machine' encourages a specific approach to thinking about technology.

The Stuff of Legend: Book 1: The Dark Mike Raicht, Brian Smith, 2013-01-30 The year is 1944. As Allied forces fight the enemy on Europe's war-torn beaches, another battle begins in a child's bedroom in Brooklyn. When the nightmarish Boogeyman snatches a boy and takes him to the realm of the Dark, the child's playthings, led by the toy soldier known as the Colonel, band together to stage a daring rescue. On their perilous mission they will confront the boy's bitter and forgotten toys, as well as betrayal in their own ranks. Can they save the boy from the forces of evil, or will they all perish in the process? *The Stuff of Legend* is a haunting and ultimately redemptive tale of loyalty, camaraderie, and perseverance. This edition includes a brand-new story featuring the Colonel's war journal, maps, sketches, and other original material!

The Skin Collector Jeffery Deaver, 2014-05-13 In his classic thriller *The Bone Collector*, Jeffery Deaver introduced readers to Lincoln Rhyme—the nation's most renowned investigator and forensic detective. Now, a new killer is on the loose: a criminal inspired by the *Bone Collector*. And Rhyme must untangle the twisted web of clues before the killer targets more victims—or Rhyme himself. The killer's methods are terrifying. He stalks the basements and underground passageways of New York City. He tattoos his victims' flesh with cryptic messages, using a tattoo gun loaded with poison, resulting in an agonizing, painful death. When a connection is made to the *Bone Collector*—the serial killer who terrorized New York more than a decade ago—Lincoln Rhyme and Amelia Sachs are immediately drawn into the case. Rhyme, Sachs, and the NYPD must race against time to answer the many questions the investigation uncovers: Whom will the killer attack next? What is the message behind the victims' tattoos? Does the killer's own inking—a fanged centipede sporting a woman's face—hold any significance? And what is his ultimate mission? As time runs out, Rhyme discovers that the past has returned to haunt him in the most troubling way imaginable...

F. A. Q. Frequently Asked Questions about Figure Painting Techniques Andrea Press, 2009-10-15 From the basic preparation of the figure to the final presentation with finishing touches, this book covers the needed techniques - IPMS The art of painting miniatures, both military and other types requires certain knowledge, occasionally very basic in nature, in

order to obtain satisfactory results. From the preparation of the figure, regardless of the scale and materials from which it was made up to the final presentation with finishing touches, the work requires a meticulous and passionate application, as well as patience and hours of dedication. In this book, the reader will find the answers to the most frequently asked questions when undertaking such a task, whether they come from novices painting a figure for the first time or confirmed artists. The main techniques and different types of paints and enamels, most commonly used materials, factors to be taken into account before starting any such task, the most amazing tricks for imitating all sorts of texture and effects and many more, are dealt with in this book in a very convenient and visual manner, with concise texts, so that any enthusiast can improve his/her results and discover techniques that he/she has never used before, either due to a lack of knowledge or fear of obtaining unsatisfactory outcomes. A clearly structured index permits the use of the book without wasting time and finding each answer with ease. But painting a figure is not simply a purely pictorial work. The reader will also find techniques and advice for making his/her finished pieces more attractive to the observer, through the choice of the appropriate base, decoration, conversion and the creation of small terrains in which to set the figure. Advice for participating in competitions is also provided, as well as the most appropriate ways for conserving figures and avoiding their deterioration with the passage of time and elements as damaging as dust. The final section is dedicated to the works of world renowned confirmed artists, in an attractive gallery of award-winning works with the most outstanding works at an international level in recent years. Here, the enthusiast can source ideas for creating his/her own works, or simply enjoy the works of the great masters. This is definitely a comprehensive manual that will be of great help for miniature figure painting enthusiasts, whatever be their chosen theme. ILLUSTRATIONS colour throughout *

Precarious Japan Anne Allison, 2014-02-04 In an era of irregular labor, nagging recession, nuclear contamination, and a shrinking population, Japan is facing precarious times. How the Japanese experience insecurity in their daily and social lives is the subject of *Precarious Japan*. Tacking between the structural conditions of socioeconomic life and the ways people are making do, or not, Anne Allison chronicles the loss of home affecting many Japanese, not only in the literal sense but also in the figurative sense of not belonging. Until the collapse of Japan's economic bubble in 1991, lifelong employment and a secure income were within reach of most Japanese men, enabling them to maintain their families in a comfortable middle-class lifestyle. Now, as fewer and fewer people are able to find full-time work, hope turns to hopelessness and security gives way to a pervasive unease. Yet some Japanese are getting by, partly by reconceiving notions of home, family, and togetherness.

Cinema Anime Steven T. Brown, 2006-04-01 This collection charts the terrain of contemporary Japanese animation, one of the most explosive forms of visual culture to emerge at the crossroads of transnational cultural production in the last twenty-five years. The essays offer bold and insightful engagement with animé's concerns with gender identity, anxieties

about body mutation and technological monstrosity, and apocalyptic fantasies of the end of history. The contributors dismantle the distinction between 'high' and 'low' culture and offer compelling arguments for the value and importance of the study of animé and popular culture as a key link in the translation from the local to the global.

Cowboy Bebop: Shooting Star Cain Kuga, 2003-06-10 Follows the crew of the spaceship Bebop--ex-gangster Spike Spiegel, ex-cop Jet Black, amnesiac Faye Valentine, genius child Ed, and the dog Ein--as their work as bounty hunters places them in the midst of a mafia battle.

Whiter Nikki Khanna, 2020-03-10 Heartfelt personal accounts from Asian American women on their experiences with skin color bias, from being labeled "too dark" to becoming empowered to challenge beauty standards "I have a vivid memory of standing in my grandmother's kitchen, where, by the table, she closely watched me as I played. When I finally looked up to ask why she was staring, her expression changed from that of intent observer to one of guilt and shame. . . . 'My anak (dear child),' she began, 'you are so beautiful. It is a shame that you are so dark. No Filipino man will ever want to marry you.'"—"Shade of Brown," Noelle Marie Falcis How does skin color impact the lives of Asian American women? In *Whiter*, thirty Asian American women provide first-hand accounts of their experiences with colorism in this collection of powerful, accessible, and brutally honest essays, edited by Nikki Khanna. Featuring contributors of many ages, nationalities, and professions, this compelling collection covers a wide range of topics, including light-skin privilege, aspirational whiteness, and anti-blackness. From skin-whitening creams to cosmetic surgery, *Whiter* amplifies the diverse voices of Asian American women who continue to bravely challenge the power of skin color in their own lives.

African Samurai Thomas Lockley, Geoffrey Girard, 2019-04-30 This biography of the first foreign-born samurai and his journey from Africa to Japan is "a readable, compassionate account of an extraordinary life" (*The Washington Post*). When Yasuke arrived in Japan in the late 1500s, he had already traveled much of the known world. Kidnapped as a child, he had ended up a servant and bodyguard to the head of the Jesuits in Asia, with whom he traversed India and China learning multiple languages as he went. His arrival in Kyoto, however, literally caused a riot. Most Japanese people had never seen an African man before, and many of them saw him as the embodiment of the black-skinned Buddha. Among those who were drawn to his presence was Lord Nobunaga, head of the most powerful clan in Japan, who made Yasuke a samurai in his court. Soon, he was learning the traditions of Japan's martial arts and ascending the upper echelons of Japanese society. In the four hundred years since, Yasuke has been known in Japan largely as a legendary, perhaps mythical figure. Now *African Samurai* presents the never-before-told biography of this unique figure of the sixteenth century, one whose travels between countries and cultures offers a new perspective on race in world history and a vivid portrait of life in medieval Japan. "Fast-paced, action-packed writing. . . . A new and important biography and an incredibly moving study of medieval Japan and solid perspective on its unification. Highly recommended." —*Library Journal* (starred review) "Eminently readable. . . . a

worthwhile and entertaining work.” —Publishers Weekly “A unique story of a unique man, and yet someone with whom we can all identify.” —Jack Weatherford, New York Times–bestselling author of Genghis Khan

The Poppy War R. F. Kuang, 2018-05-01 One of Time Magazine’s 100 Best Fantasy Books of All Time “I have no doubt this will end up being the best fantasy debut of the year...I have absolutely no doubt that [Kuang’s] name will be up there with the likes of Robin Hobb and N.K. Jemisin.” -- Booknest From #1 New York Times bestselling author of Babel and Yellowface, the brilliantly imaginative debut of R.F. Kuang: an epic historical military fantasy, inspired by the bloody history of China’s twentieth century and filled with treachery and magic, in the tradition of Ken Liu’s Grace of Kings and N.K. Jemisin’s Inheritance Trilogy. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn’t believe a war orphan from Rooster Province could pass without cheating; to Rin’s guardians, who believed they’d finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sinegard—the most elite military school in Nikan—was even more surprising. But surprises aren’t always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sinegard. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin’s shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

Fullmetal Alchemist: The Complete Four-Panel Comics Hiromu Arakawa, 2019-03-12 Alchemy tore the Elric brothers’ bodies apart. Can their bond make them whole again? In an alchemical ritual gone wrong, Edward Elric lost his arm and his leg, and his brother Alphonse became nothing but a soul in a suit of armor. Though the Elric brothers’ circumstances are tragic, in these spoofs penned by author Hiromu Arakawa, the duo’s quest to reclaim their bodies is completely hilarious! This complete collection offers the beloved four-panel comic strips from the graphic novel series and bonus strips from the anime DVDs of Fullmetal Alchemist and Fullmetal Alchemist: Brotherhood, as well as rare strips from Japan!

Infernal Parade Clive Barker, 2017-02-28 Infernal Parade begins with the tale of a convicted criminal, Tom Requiem,

who returns from the brink of death to restore both fear and a touch of awe to a complacent world. Tom becomes the leader of the eponymous parade, which ranges from the familiar precincts of North Dakota to the mythical city of Karantica. Golems, vengeful humans both living and dead, and assorted impossible creatures parade across these pages. The result is a series of highly compressed, interrelated narratives that are memorable, disturbing, and impossible to set aside--Jacket.

That's Enough, Folks Henry T. Sampson, 1998 An authoritative and valuable resource for students and scholars of film animation and African-American history, film buffs, and casual readers. It is the first and only book to detail the history of black images in animated cartoons. Using advertisements, quotes from producers, newspaper reviews, and other sources, Sampson traces stereotypical black images through their transition from the first newspaper comic strips in the late 1890s, to their inclusion in the first silent theatrical cartoons, through the peak of their popularity in 1930s musical cartoons, to their gradual decline in the 1960s. He provides detailed storylines with dialogue, revealing the extensive use of negative caricatures of African Americans. Sampson devotes chapters to cartoon series starring black characters; cartoons burlesquing life on the old slave plantation with happy slaves Uncle Tom and Topsy; depictions of the African safari that include the white hunter, his devoted servant, and bloodthirsty black cannibals; and cartoons featuring the music and the widely popular entertainment style of famous 1930s black stars including Cab Calloway, Louis Armstrong, and Fats Waller. That's Enough Folks includes many rare, previously unpublished illustrations and original animation stills and an appendix listing cartoon titles with black characters along with brief descriptions of gags in these cartoons.

Anime Classics Zettai! Brian Camp, Julie Davis, 2011-10-01 For anime connoisseurs, beginners, and the curious, the best of the best!

Fifty Key Figures in Cyberpunk Culture Anna McFarlane, Graham J. Murphy, Lars Schmeink, 2022-05-12 A collection of engaging essays on some of the most significant figures in cyberpunk culture, this outstanding guide charts the rich and varied landscape of cyberpunk from the 1970s to present day. The collection features key figures from a variety of disciplines, from novelists, critical and cultural theorists, philosophers, and scholars, to filmmakers, comic book artists, game creators, and television writers. Important and influential names discussed include: J. G. Ballard, Jean Baudrillard, Rosi Braidotti, Charlie Brooker, Pat Cadigan, William Gibson, Donna J. Haraway, Nalo Hopkinson, Janelle Monáe, Annalee Newitz, Katsuhiko Ōtomo, Sadie Plant, Mike Pondsmith, Ridley Scott, Bruce Sterling, and the Wachowskis. The editors also include an afterword of 'Honorable Mentions' to highlight additional figures and groups of note that have played a role in shaping cyberpunk. This accessible guide will be of interest to students and scholars of cultural studies, film studies, literature, media studies, as well as anyone with an interest in cyberpunk culture and science fiction.

Martha Washington Goes to War Frank Miller,Dave Gibbons,1995 Martha Washington -- prisoner, runaway, lunatic, soldier, and now seditionist -- has seen the future. It looks great on paper, but it doesn't work. The U.S. government is controlled by power-hungry nutcases. The ecology is a shambles. Everyone talks about the weather, but nobody does anything about it . . . nobody, that is, except PAX and the very expensive weather-control satellite, Harmony. In Martha Washington Goes to War, it's Martha vs. PAX and the United States government, and the odds are more even than you might think!

The Artist's Guide to Drawing Manga Ben Krefta,2021-06-15 Immerse yourself in the dynamic world of Japanese manga drawing with this inspirational drawing book. Master manga artist Ben Krefta guides you through a variety of exciting character designs, from 'Mecha' robots to 'Shinobi' ninjas. He also provides you will a toolkit of techniques, including: • Constructing manga eyes • Portraying movement and using speed lines • Creating manga's distinctive facial expressions • Designing clothes, weapons and accessories • Drawing a manga comic strip Each lesson is broken down into step-by-step components, so seemingly complex artworks are easy to achieve. This full-colour workbook celebrates the originality and diversity of different manga styles and provides you with the tools to bring your own characters to life.

Lady Death Volume 1 Mike Wolfer,Brian Pulido,2012-03-06 Stripped of her magic and memory, the sword-wielding and suddenly human Lady Death travels to exotic locations worldwide to face terrifying enemies and reclaim her former glory. Long ago, a young woman sacrificed her humanity to become the otherworldly femme fatale known as Lady Death. But now, Lady Death is no more. Stripped of her magic and memory, dethroned by the villainous Death Queen, and banished from the Blacklands, she escapes to Earth during the Dark Ages in the form of an amnesiac mortal thief named Illadra. Driven by hazy visions of her former glory, the skillful Illadra sets off on a worldwide quest to reclaim her fragmented power...and face the evils that her magic has awakened. The first volume of the new Lady Death series includes a rare prose introduction by writer Mike Wolfer, previously only available in a hard-to-find comic book handed out at conventions.

John Brown Frederick Douglass,2023-01-18 Written to honour the life of the eponymous abolitionist and activist, 'John Brown' is the transcript of a speech delivered by Douglass in 1860. While some saw Brown as a radical and a criminal, Douglass saw his friend as a man prepared to sacrifice his life so that others might be free. Passionate and powerful, the speech not only extolls Brown's virtues, but also highlights the political and social issues faced by African Americans at the time.'John Brown' is an important read for anyone with an interest in social justice and injustice. Frederick Douglass (1818-1995) was an American abolitionist and author. Born into slavery in Maryland, he was of African, European, and Native American descent. He was separated from his mother at a young age and lived with his grandmother until he was moved to

another plantation. Frederick was taught his alphabet by the wife of one of his owners, a knowledge he passed on to other slaves. In 1838, he successfully escaped slavery by jumping on a north-bound train. After less than 24 hours, he was in New York and free. The same year, he married the woman that had inspired his run for freedom and started working actively as a social reformer, orator, statesman, and women's rights defender. He remains most known today for his 1845 autobiography Narrative of the Life of Frederick Douglass, an American Slave.

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **Dark Skin Anime Figures**

In a world inundated with screens and the cacophony of instant interaction, the profound energy and mental resonance of verbal art often fade into obscurity, eclipsed by the constant assault of noise and distractions. Yet, situated within the musical pages of **Dark Skin Anime Figures**, a captivating function of fictional elegance that pulses with organic thoughts, lies an unforgettable trip waiting to be embarked upon. Penned with a virtuoso wordsmith, this magical opus guides viewers on a mental odyssey, lightly revealing the latent potential and profound impact embedded within the elaborate web of language. Within the heart-wrenching expanse with this evocative evaluation, we shall embark upon an introspective exploration of the book's central themes, dissect their charming publishing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers' souls.
