Nobody's Goddess Amy McNulty,2016-09-21 In a village of masked men, each man is compelled to love only one woman and to follow the commands of his goddess without question. A woman may reject the only man who will love her if she pleases, but she will be alone forever. A man must stay masked until his goddess returns his love-and if she can't or won't, he remains masked forever. Seventeen-year-old Noll's childhood friends have paired off and her closest companion, Jurij, found his goddess in Noll's own sister. Desperate to find a way to break this ancient spell, Noll instead discovers why no man has ever chosen her. She is in fact the goddess of the mysterious lord of the village, a man who refuses to let Noll have her right as a woman to spurn him. Thus begins a dangerous game between the choice of woman and the magic of man. The stakes are no less than freedom and happiness, life and death-and neither Noll nor the veiled lord is willing to lose. Winner of The Romance Reviews' Summer 2016 Readers' Choice Award in Young Adult Romance.

Aelfrician Homilies and Varia Aaron J. Kleist,Robert Upchurch,2022 First modern edition and translation of the homilies of one of the most important religious figures of his time. Ælfric of Eynsham stands supreme as a distinguished homilist, translator, and moralist - one whose writings were sought by the most powerful churchmen and landed warlords of his day. In his sermons, the dead are raised to life, innocents are betrayed, civilizations come to ruin, prophecies are finally fulfilled, and sorrow is swallowed up in salvation. He offers guidance regarding sex, financial counsel, botanical excursions, etymological asides, lions cowed by roosters, arch-heretics disemboweled, and seemingly inconsequential figures receiving everlasting crowns. He also considers the origin of Antichrist, recounts supernatural visions of damnation and deliverance, teases out the tension between predestination and free will, explores the multifarious nature of the soul, seeks to categorize

creation, and presses the boundaries of conceptual capacity in describing the divine nature. Treatises take up such subjects as the Holy Spirit, cognition, penitence, and proper comportment. Private prayers appear alongside public declarations of the Christian faith found in the Paternoster and the Apostles' and Nicene Creeds. The thirty-one texts presented here, with facing translations, span the course of his career: Old English and Latin, ordinary and alliterative prose, pithy prayers and exhaustive exegesis. Nine appear in print for the first time; others for the first time in well over 100 years. Introductions to the texts offer overviews of the content, composition, and circulation of each work, using the fruits of the latest research to envision real-world contexts for their use in specific places, among particular groups, and by certain individuals. Meanwhile, the commentary traces Ælfric's role in the history of ideas, examining his relationship to over 100 sources, 200 other Ælfrician works, and over 1,000 biblical passages; it seeks to clarify Ælfric's compositional aims and further to establish the authorship and date of these remarkable writings from early England.

Circle of Shadows Evelyn Skye,2019-01-22 A thrilling new fantasy series full of magic and betrayal—from Evelyn Skye, New York Times bestselling author of the Crown's Game series. Sora can move as silently as a ghost and hurl throwing stars with lethal accuracy. Her gemina, Daemon, can win any physical fight blindfolded and with an arm tied around his back. They are apprentice warriors of the Society of Taigas—marked by the gods to be trained in magic and the fighting arts to protect the kingdom of Kichona. As their graduation approaches, Sora and Daemon look forward to proving themselves worthy of belonging in the elite group—but in a kingdom free of violence since the Blood Rift Rebellion many years ago, it's been difficult to make their mark. So when Sora and Daemon encounter a strange camp of mysterious soldiers while on a standard scouting mission, they decide the only thing to do to help their kingdom is to infiltrate the group. Taking this risk will change Sora's life forever—and lead her on a mission of deception that may fool everyone she's ever loved. Love, spies, and adventure abound as Sora and Daemon unravel a complex web of magic and secrets that might tear them—and the entire kingdom—apart forever.

The Kiss of Death Auryn Hadley,2018-02-08 I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I

paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero? Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems. Death is back. He wants another kiss. And he's not alone. The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

Beautiful Dead R. Lee Smith, 2015-11-12 SHE WOULD DARE ANYTHING TO SAVE THE WORLD FROM HIS RULE. EVEN HIS BED. He ascended from the darkness years ago—Azrael the Eternal, Azrael the Undying, Azrael Who Is Death—bringing with him the black rains, the fires, the souring of the sky, and the Eaters. Now he rules in the walled city of Haven with his favored Children and his dead court, while all that is left of the living struggles to survive in the ruins of a world that used to be their own. But even as extinction looms, humanity will never surrender to their monstrous conqueror. For Lan, this brutal life has been the only one she's ever known, but she still believes it can change. If the war can never truly end until the Eaters are ended, she will go to Haven, to Azrael himself, and demand he end them. To her surprise, she does not immediately die the hero's death she expected. Instead, Azrael offers her a chance to convince him, and all she has to do is submit herself to the chill embrace of the lord of the Land of the Beautiful Dead. From the author of *The Scholomance* and *The Last Hour of Gann* comes a new vision of erotic horror! This book contains explicit sex and gore and is intended for mature readers only.

The Art of Studio Gainax Dani Cavallaro, 2015-01-27 Formed by a small group of university students in the early 1980s, Studio Gainax is now one of the most adventurous and widely esteemed anime companies on the scene. And it is fascinating for its unique approach to animation. Formal experimentation, genre-straddling, self-reflexivity, unpredictable plot twists, a gourmet palate for stylishness, proverbially controversial endings, and a singularly iconoclastic worldview are some of the hallmarks. This documentation of the studio's achievements provides a critical overview of both the company and its films: in-depth examinations of particular titles that best represent the company's overall work, including television series such as *Nadia: The Secret of Blue Water* and *Neon Genesis Evangelion*, and feature films such as *Royal Space Force: The Wings of Honneamise* and *Gunbuster vs. Diebuster*. Each chapter highlights the contribution made by a specific production to the

company's progress.
