Always Human Ari North, 2021-10-19 Always Human is a beautifully drawn, sapphic graphic novel about a developing relationship between two young women in a near-future, soft sci-fi setting. First serialized on the popular app and website Webtoon, Always Human amassed over 51 million views and nearly 700,000 subscribers. Now, for the first time, this incredible story has been reformatted for a print edition! Along with the sequel Love and Gravity, get ready to fall in love with this ground-breaking story of support and romance. This beautifully illustrated slice-of-life tale that shows two young women of color getting to know each other and creating a relationship is so warm and charming that readers will hardly notice how much they are learning about how to better interact with folx who are different from themselves and the importance of not making assumptions. -- Kirkus Reviews ...soft, expressive art adds a visceral charge to the couple's very human experiences, which range from excitement and affection to pain and doubt. -- Publisher's Weekly This wholesome plot focuses on building understanding, offering mutual support, and budding self-acceptance, as well as the importance of asking rather than making assumptions; avoiding othering; and regarding all those in one's orbit with compassion...A charming, sensitive story of love and acceptance. --School Library Journal In a technologically advanced near future, two young women bumble through their first dates and fights together as they enjoy the exhilaration of new love....Always Human by Ari North is an endearingly feel-good sapphic romance set against a diverting futuristic backdrop. --Samantha Zaboloski, Shelf Awareness In the near-future, people use technology to give the illusion of all kinds of body modifications-but some people have Egan's Syndrome, a highly sensitive immune system that rejects these mods and are unable to use them. Those who are affected maintain a natural appearance, reliant on cosmetics and hair dye at most to help them play with their looks. Sunati is attracted to Austen the first time she sees her and is drawn to what she assumes is Austen's bravery and confidence to live life unmodded. When Sunati learns the truth, she's still attracted to Austen and asks her on a date. Gradually, their relationship unfolds as they deal with friends, family, and the emotional conflicts that come with every romance. Together, they will learn and grow in a story that reminds us no matter how technology evolves, we will remain . . . always human.

Rendered in beautiful detail and an extraordinary color palette, *Always Human* is a sweet love story told in a gentle sci-fi setting by a queer woman cartoonist, Ari North. Published in partnership with media advocacy organization GLAAD, this empowering book positively represents LGBTQ families.

Darque Desires Raymond Bylthe,2014-06-05 Dominic Darque is content with his life. He is a business owner and entrepreneur. Successful both professionally and personally, he is a dominant personality in all normal and several non-normal respects. Unfortunately, he is currently alone, and that is not something he tolerates. Therefore, he has been seeking someone new in his life, a sexually submissive, intelligent, and attractive woman. So far, that has been a fruitless search due to his standards and desires, but that is about to change when an angel in a black knit dress falls into his life She is younger by a large margin, beautiful in a heartrendingly fresh way, smart and educated; and he soon learns, sexually submissive and responsive to him on a level he has rarely seen in all his years. He introduces her to his world and ways. To his delight, she grabs it as an infant grasps its first rattle. The relationship takes off like a rocket and the first two days are a nonstop exploration of their budding D/s relationship. The relationship blossoms from a passion-fueled sexual romp into a full-blown total power exchange of Domination/submission with her becoming his sexual slave in every conceivable way as she is 'taken in hand' and learns the rules of his world. However, this is not anything she has ever really experienced before and like the icebergs in the ocean, 90% of its substance remains concealed beneath the waves. As things are unveiled, she becomes more enamored of this lifestyle that is not a lifestyle, but a life, according to Dominic; she wants more and more of it. However, there is an issue, she has a lover currently, and not one she is willing to abandon, even for Dominic. Luckily, for all involved, her girlfriend is also interested and attracted to this lifestyle. Soon a crossroads is reached, and decisions must be made; decisions that will change the life of all three of them going forward. As the series unfolds, it will take them from desire to temptations and eventually into craving of taboos rarely spoken of and even more rarely understood and embraced by modern society.
