

# The Alpha King Human Mate Chapter 1

## R.A Higheels

*Mated to the Alpha King* Jennise K,2016-11-19 You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you, human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence. This is my story.

*The Alpha King and His Human Mate* Melisa Bigler,2019-05-07 Jillian is a human, going to an all Werewolf school, how did her parents not know that they were sending her to such a place? What makes it worse is that the Alpha King comes to the school once a week to see if he can find his mate or girls for his harems. What happens when he claims Jillian as his mate? Will she accept it, or will she run for the hills? Then someone decides that they want Jillian and the Alpha dead. What will happen when the Alpha finds out who Jillian really is, she isn't as innocent as she seems. Join Jillian, Edric, and her friend Kimberly on a harrowing adventure of love, laughter, and a whole lot of sass.

**Chosen by Fate, Rejected by the Alpha** Deni Chance,2020-11-06 Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? I am not human, and I am not a wolf. I don't belong anywhere... ...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway. What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? This cannot be! I roared. There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna. I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack

down with her. When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

*Seduced by the Alpha King* Scarlett Orion,2024-05-22 I never thought this was a moment I would have to witness, my fiance, the absolute love of my life, cheating on me with one of my best friends. That was incredible, as always, Haley said with a seductive tone No man has ever made me come as you do, Derek responded with a low growl You're making me want to make love to you again... My hands shook through my anger. It seemed as though they both knew I was standing outside the door, and just needed to brag about their sexual exploits I hadn't known about. So when are you going to tell Alyssa about us? Haley asked. Soon, Derek replied Once the wedding is official, Alyssa and I can begin the process of making a child, once my heir is born then Alyssa will have fulfilled her use to me, he paused You and I can raise the child as our own, our own little family. The very idea of you having to make a child with Alyssa makes me so... she paused. Jealous. As a human, I was told that the mate relationship among werewolves is considered divine and undeniable. Believing in this, I uprooted my human life to reside in the world of werewolves with my so-called fated mate. However, my expectations were shattered when I discovered that all of this was merely a deception, and that I was nothing more than a tool for childbirth. One thing was clear to me - I wasn't going to let Derek and Haley get away with this deceit.

*Hybrid Aria* Jessica Hall,2021-02-28 When werewolf hybrid Aria escapes her abusive stepfather, the alpha of the Blackmoon pack,she has no idea what kind of trouble she's gotten herself in to. With her little sister Lily by her side, she finds herself in the maw of an enemy's territory. An enemy that will surely bring about not only her demise, but that of the girl she's practically raised. But before she can be harmed,the alpha of the Bloodmoon pack, the roguishly handsome Reid comes to her rescue. And while he never spares hybrids, there is something special about Aria. While she can't tell, he knows that she's his mate -- and he's suddenly determined to have her at any cost, even if she doesn't understand why. But darkness looms on the horizon. A cruel and sadistic hunter is after Aria for her unique blood, and will stop at nothing until he has her. **The Alpha King** Victoria Sue,2017-01-16 The Kingdom of Askara has been torn apart by conflict for centuries, where humans exist as subservient beings to their werewolf masters. Legend says it will only be able to heal itself when an Alpha King and a pure omega are mated and crowned together, but a pure omega hasn't been born in over a thousand years. Luca is an Alpha-heir eagerly awaiting the choosing ceremony on his twenty-fifth birthday and the gifts granted by whichever omega he mates. His small pack is destitute due to the decisions of its ruling council, but being only an Alpha-heir, he has no

authority to challenge them. Not until now-this moment he has waited a long time for. Kit grew up as a street-rat, an unlicensed human who would never be more than a slave for whichever master owns him. Then one day he came across a young Alpha-heir, attacked and dying of poison, and found out their fates were suddenly entwined. Luca needs to take over his pack and save his people. He cannot afford to be distracted. But when he meets Kit, he develops abilities indicating he is not just a pack Alpha, but the King his world has needed for a thousand years. Is Kit really the cause of Luca's newfound power, the true mate he needs? How is it possible when the young man isn't even a werewolf, and as merely a human, a mating is not only forbidden, but for Kit, a sentence of death?

*Lycan King's Human Mate* R.A Higheels, "Now listen to me carefully, Energia," He said with a sinister voice. I had even forgotten that we were in the open where anyone could come from anywhere. "This, is also mine." I watched as his hands move down to touch my ass. My breathing quickened and just at that moment, in between my thighs dripped wet. With what he was doing, he was really turning me on. "Did I forget to say this?" My mouth parted in shock as his hands reached through my joggers, cupping my sex. I had just been taken, I inwardly cringed with my legs, moving with so much excitement. "Getting too excited, are we?" With a half-smirk, he asked. He then took my lips again. He softly bit it, making me cry out in pleasure. "And, this." He said with my breasts in his hand. He pinched the nipple and rubbed them softly with his thumb. "In fact, all of you. And, I refuse to share it with anyone at all. You are mine, Energia. Mine and only mine," He concluded, before walking away. A sassy stripper named Serena. A ruthless Lycan Alpha named Luca. What happens when these two different people are brought together by the Moon Goddess? How about when two different enemies from both sides come forward with a quest to ruin them all? It's all a game. A game of the Mafias, Lycans, Hybrids, Witches and Elves.

**Alpha's Temptation** Renee Rose, Lee Savino, 2021-04-08 MINE TO PROTECT. MINE TO PUNISH. MINE. I'm a lone wolf, and I like it that way. Banished from my birth pack after a bloodbath, I never wanted a mate. Then I meet Kylie. My temptation. We're trapped in an elevator together, and her panic almost makes her pass out in my arms. She's strong, but broken. And she's hiding something. My wolf wants to claim her. But she's human, and her delicate flesh won't survive a wolf's mark. I'm too dangerous. I should stay away. Publisher's Note: Alpha's Temptation is a stand-alone book in the Bad Boy Alphas series. HEA guaranteed, no cheating.

*Alpha King* Sara Fields, 2021-07-12 The vampires didn't just kill my father. They turned him into a murderer. I don't know how they did it and I don't know why, but I do know one thing. I'm going to make them pay dearly for it.

**Dark Alpha's Command** Donna Grant, 2022-09-06 From New York Times bestselling author Donna Grant comes another action-packed installment in her thrilling Reaper series, featuring a brotherhood of elite assassins who wage war on the Fae at Death's behest—and the women who dare to love them. There is no escaping a Reaper. I am an elite assassin, part of a

brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you... I've been a part of so many different worlds I'm not sure who I am or where I fit in anymore. Honestly, with everything I've been through, being called across realms and encountering the beautiful Druid who instantly captures my attention—and my heart—shouldn't have surprised me. But it did. Not as much as discovering how it feels to brush against her magic, however. Now, we must navigate these new waters and fight against our latest threat, hoping that our combined power and that of our allies is enough to defeat our foe. Because the Fae Others want to end the Reapers and take over the realm, and their leader is one of the most formidable enemies we've ever faced. The battle won't be easy, but with this strong, resilient mortal by my side and some help from our friends, it's a fight I'm more than willing to enter—as long as it means she's by my side. Forever.

Despite her objections, she is taken to the court of the Werewolf King. He's arrogant, stubborn and discerning of her very being, but willing to defend her... for now. Will the Werewolf King yield to the Demon Lord's ultimatum and give her to the enemy or will she be the cause of a looming war between the two species? More importantly, what does the Demon Lord want with Belle? She's only a werewolf... isn't she? Not only wolves, but other supernatural creatures as well. I don't want to give anything away, but this book has a sneaky way of dragging you into the story and following every twist and turn with baited breath. **The Love of a Lycan** jikanyotomare, webnovel, 2020-12-18 Download Webnovel and chereads to read The Love of a Lycan A year ago Raine was discharged from mental institution and had to live in the orphanage. It wasn't the best place. At least not for someone like her. Until one faithful night she met him. \*\*\* He stopped the car. The clutched on the blanket tightened as Raine wonder if she did something wrong. She could feel it when Torak reached out his hand at her. Will he hit me? Raine shivered with that thought. Torak pulled back the hoodie off her head and gently tucked her hair behind her ear. Don't. He said firmly, I want to see you, don't hide yourself... \*\*\*\*\* "The spirit of the guardian angel will breathe new life into human child. Three guardian angels will be born into terrestrial world once again and the three of you will be their protectors." "Protectors!?" Jedrek snapped. In the end, he stopped walking and turned his back to look at the moon goddess

from far distance away, his eyes glistening red with anger. His wolf was livid. "Why do you think we will help?" Kace asked while narrowing his black obsidian eyes, his wolf took control of him. He was the youngest among the three and the less temperamental among them. The three of them were cursed by Selene because of their ferocious action to gain supreme power and authority. The moon goddess didn't bless them with a mate as a punishment of their atrocious way and forced them to involve in this deadly war with the demons. "You will turn us into a slave for those sickly creatures!?" Torak asked incredulously. "Aren't you afraid that we will snap them into two?" The guardian angel was so fragile and they as lycanthropes didn't appreciate the weaknesses. "No, you will not." Selene said patiently. "You will not be their slave nor hurt them, you will cherish them in every way possible." Jedrek laughed menacingly upon hearing this, they didn't care about the resurrected of the beast, once they crossed their territory, with or without the guardian angel he would tear their body apart. "I will be the last person they will see, once I find them." He was referring to both the guardian angel and the demon. But, the next voice from Selene was laced with mirth when she spoke. "You will not hurt your mate."

Sexing the Body Anne Fausto-Sterling,2020-06-30 Now updated with groundbreaking research, this award-winning classic examines the construction of sexual identity in biology, society, and history. Why do some people prefer heterosexual love while others fancy the same sex? Is sexual identity biologically determined or a product of convention? In this brilliant and provocative book, the acclaimed author of Myths of Gender argues that even the most fundamental knowledge about sex is shaped by the culture in which scientific knowledge is produced. Drawing on astonishing real-life cases and a probing analysis of centuries of scientific research, Fausto-Sterling demonstrates how scientists have historically politicized the body. In lively and impassioned prose, she breaks down three key dualisms -- sex/gender, nature/nurture, and real/constructed -- and asserts that individuals born as mixtures of male and female exist as one of five natural human variants and, as such, should not be forced to compromise their differences to fit a flawed societal definition of normality.

The Savior J.R. Ward,2019-09-24 A vampire and a scientist's fates are passionately entwined in a race against time in this

thrilling romance in the #1 New York Times bestselling “utterly absorbing and deliciously erotic” (Angela Knight, New York Times bestselling author) Black Dagger Brotherhood series. In the venerable history of the Black Dagger Brotherhood, only one male has ever been expelled—but Murhder’s insanity gave the Brothers no choice. Haunted by visions of a female he could not save, he nonetheless returns to Caldwell on a mission to right the wrong that ruined him. However, he is not prepared for what he must face in his quest for redemption. Dr. Sarah Watkins, researcher at a biomedical firm, is struggling with the loss of her fellow scientist fiancé. When the FBI starts asking about his death, she questions what really happened and soon learns the terrible truth: Her firm is conducting inhumane experiments in secret and the man she thought she knew and loved was involved in the torture. As Murhder and Sarah’s destinies become irrevocably entwined, desire ignites between them. But can they forge a future that spans the divide separating the two species? And as a new foe emerges in the war against the vampires, will Murhder return to his Brothers...or resume his lonely existence forevermore?
