Life's a Puppy Party Heather Hunt,2021-10-12 Make the most of every day with your dog using this fun collection of healthy recipes, easy DIYs, and Pinterest-worthy party plans that you and your pup can enjoy together. Our dogs are more of a part of our lives than ever, but it's still hard to find cute treats, toys, and accessories for them that you can make yourself. When Heather Hunt brought home her dachshund, Dave, she scoured the internet for all the info she could find about being a great dog owner. And although she found plenty of factual guides to being a good pup parent, she was shocked that the fun and silly parts of owning a dog were completely missing—how to create a comfortable Halloween costume without buying a sewing machine, how to bake a nutritious barkday cake, or how to host a party for other pup friends. Heather eventually launched TheDapple.com as a place to share great pet products and simple, creative activities for modern dog parents. In *Life's a Puppy Party*, Heather has created a handbook for having fun with your dog. Grouped by season, it features easy, cost-

efficient, Instagrammable, and vet-approved recipes, crafts, and no-sew costume ideas to make your pup a part of every type of celebration. In this book, readers will learn how to: -Bake an easy “pupcake” -Upcycle a pair of old jeans into a cute bandana -Throw a backyard puppy pool party -Turn a dog hoodie into a dinosaur Halloween costume -And make a dog toy advent calendar This is a perfect gift for any dog parent looking for more ways to celebrate their pooch while giving us all something to smile about.

Mind the Gap, Dash & Lily Rachel Cohn,David Levithan,2020-11-03 For Dash and Lily, it's beginning to look a lot like...distance! Just in time for the series release of Dash & Lily on Netflix comes a new helping of love--this time across the pond as best-selling authors Rachel Cohn and David Levithan send Dash and Lily to England. Dash and Lily were feeling closer than ever...it's just too bad they're now an ocean apart. After Dash gets accepted to Oxford University and Lily stays in New York to take care of her dogwalking business, the devoted couple are struggling to make a long distance relationship work. And when Dash breaks the news that he won't be coming home for Christmas, Lily makes a decision: if Dash can't come to her, she'll join him in London. It's a perfect romantic gesture...that spins out of Lily's control. Soon Dash and Lily are feeling more of a gap between them, even though they're in the same city. Will London bring them together again--or will it be their undoing?

Publications of the Metropolitan Museum of Art, 1964-2005 Metropolitan Museum of Art,2012-10-09 The present volume, Publications of The Metropolitan Museum of Art, 1964-2005, is a successor to a volume published by the Museum in 1965 entitled Publications of The Metropolitan Museum of Art, 1870-1964. These two bibliographic volumes endeavor to list all the known books, pamphlets, and serial publications bearing the Museum's imprint, and issued by the institution during the first 135 years of its existence (through June 2005). The first volume was compiled by Albert TenEyck Gardner, at the time an Associate Curator of American Paintings and Sculpture, and the present volume has been compiled from the Annual Reports issued by the Museum during the relevant years. Together the two volumes testify to the tremendous contributions made to knowledge by the curators and conservators of the Metropolitan and by the many other experts who have contributed to the Museum's exhibition catalogues. Various issues of the Bulletin emphasize the great sweep of the Museum's acquisitions during these years, and the exhibition catalogues--a number of them Alfred H. Barr Jr., Award or the George Wittenborn Award--testify to the continuity of the institution's dedicated program to enrich people's lives through knowledge of art. (This title was originally published in 2006.)
